Our Microsoft Services Footprint

Enhance your Digital Transformation with Microsoft Azure

Wherever you are in your Azure journey, our experts will partner with you to define your Cloud Adoption Strategy. Through a series of workshops, our consultants will analyze your digital estate and leverage industry standards like the Microsoft Cloud Adoption Framework to make recommendations that will set you up for success.

We offer the following services to drive your cloud adoption journey:

- Azure Readiness Assessment
- Azure Migration
- Azure Health Check
- Azure P2S VPN
- Workshops & Design Sessions
- Solution Modernization

Augment the Productivity of your Hybrid Workforce with Microsoft Modern Work

Enhance productivity, collaboration, and security in the workplace through a suite of solutions built around Microsoft's cloud services and software platforms, such as Microsoft 365, Azure Active Directory and Intune.

We offer the following services to augment your key initiatives:

- Intune Deployment
- Exchange Migration
- SharePoint Migration
- Azure File Migration
- Azure Virtual Desktop
- Tenant Health Check
- Azure MFA
- Workshops & Design Sessions
